Notes to Consolidated Financial Statements O. Insurance, page F-43

1. You disclose on page 39 that your foreign operations relate primarily to Neon Underwriting Limited (Neon), a wholly-owned UK-based Lloyd's insurer. Please explain why the claims data related to these operations have been excluded from your claims development tables beginning on page F-47 and instead included in your reconciliation on page F-46. In this regard, to the extent that you determined your reserve for foreign operations was insignificant in the context of ASC 944-40-50H, explain how you made this determination.
