**Notice of Annual Meeting of Shareholders  
and Proxy Statement**

---

To be Held on May 15, 2008

Dear Shareholder:

We invite you to attend our Annual Meeting of Shareholders on Thursday, May 15, 2008, in Cincinnati, Ohio. In connection with the meeting, we will report on our operations and you will have an opportunity to meet your Company's directors and senior executives.

This booklet includes the formal notice of the meeting and the proxy statement. The proxy statement tells you more about the agenda and procedures for the meeting. It also describes how your Board of Directors operates and provides information about the director candidates.

We are pleased to take advantage of new U.S. Securities and Exchange Commission rules that allow companies to furnish their proxy materials over the Internet. As a result, we are mailing to most of our shareholders a Notice of Internet Availability of Proxy Materials (the "Notice") instead of a paper copy of this proxy statement and our 2007 Annual Report. The Notice contains instructions on how to access and review those documents over the Internet. The Notice also instructs you on how to submit your proxy over the Internet. We believe that this new process will allow us to provide our shareholders with the information they need in a more timely manner, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice.

All shareholders are important to us. We want your shares to be represented at the meeting and urge you to vote using our internet or telephone voting systems or by promptly returning a properly completed proxy card.

Sincerely,

A handwritten signature in blue ink that reads "James C. Kennedy".

James C. Kennedy  
Vice President,  
Deputy General Counsel & Secretary

## GENERAL INFORMATION

### Record Date; Shares Outstanding

As of March 18, 2008, the record date for determining shareholders entitled to notice of and to vote at the meeting, the Company had 113,454,572 shares of common stock deemed outstanding and eligible to vote. This number does not include 14,940,627 shares held by subsidiaries of AFG. Under Ohio law, shares held by subsidiaries are not entitled to vote and are therefore not considered to be outstanding for purposes of the meeting. Each share of outstanding common stock is entitled to one vote on each matter to be presented at the meeting. Abstentions (including instructions to withhold authority to vote for one or more nominees) and broker non-votes are counted for purposes of determining a quorum, but will have no effect on the outcome of any matter voted on at the meeting. Broker non-votes occur when a broker returns a proxy card but does not have authority to vote on a particular proposal.

### Proxies and Voting Procedures

Shareholders of record can vote by mail or via the Internet or by using the toll-free telephone number listed on the proxy card. Internet and telephone voting information is provided on the proxy card. If you vote via the Internet or by telephone, please do not return a signed proxy card. Shareholders who hold their shares through a bank or broker can vote by mail, or via the Internet or by telephone if these other options are offered by the bank or broker. You may vote by telephone or Internet 24 hours a day, 7 days a week until 11:59 p.m. Eastern Daylight Saving Time, the day before the meeting. Your telephone or Internet vote authorizes the named proxies to vote your shares in the same manner as if you had executed a proxy card.

If voting by mail, please complete, sign, date and return your proxy card enclosed with the proxy statement in the accompanying postage-paid envelope.

If your shares are held in the name of your broker or bank and you wish to vote in person at the meeting, you should request your broker or bank to issue you a proxy covering your shares.

Solicitation of proxies through the mail, in person and otherwise, is being made by management at the direction of AFG's Board of Directors, without additional compensation. AFG will pay all costs of soliciting proxies. In addition, AFG will request brokers and other custodians, nominees and fiduciaries to forward proxy-soliciting material to the beneficial owners of shares held of record by such persons, and AFG will reimburse them for their expenses.

If a choice is specified on a properly executed proxy card, the shares will be voted accordingly. If a proxy card is signed without a preference indicated, those shares will be voted "FOR" the election of the nine nominees proposed by the Board of Directors, "FOR" the ratification of the Company's independent registered public accounting firm, and "AGAINST" the shareholder proposal. The authority solicited by this proxy statement includes discretionary authority to cumulate votes in the election of directors. If any other matters properly come before the meeting or any postponement or adjournment thereof, each properly executed proxy card will be voted in the discretion of the proxies named therein.

With respect to Proposal No. 1, the nine nominees who receive the greatest number of votes will be elected. With respect to Proposals 2 and 3, the proposal will be adopted only if it receives approval by a majority of the votes cast.

### Retirement and Savings Plan Participants

If you are a participant in the Company's retirement and savings plan with a balance in the AFG Common Stock Fund, the accompanying proxy card shows the number of shares of common stock attributed to your account balance, calculated as of the record date. In order for your plan shares to be voted in your discretion, you must vote at least two business days prior to the day of the meeting (by the end of the day on May 12, 2008) either by Internet, telephone, or returned properly signed proxy card. If you choose not to vote or if you return an invalid or unvoted proxy card, the Administrative Plan Committee will vote your plan shares in the Committee's sole discretion. Plan participants' votes will be held in confidence.

## Revoking a Proxy

Whether you vote by mail, via the Internet or by telephone, you may revoke your proxy at any time before it is voted by submitting a new proxy with a later date, voting via the Internet or by telephone at a later time, delivering a written notice of revocation to the Company's corporate secretary, or voting in person at the meeting.

## Cumulative Voting

Shareholders have cumulative voting rights in the election of directors and one vote per share on all other matters. Cumulative voting allows a shareholder to multiply the number of shares owned on the record date by the number of directors to be elected and to cast the total for one nominee or distribute the votes among the nominees as the shareholder desires. The nine nominees who receive the greatest number of votes will be elected. In order to invoke cumulative voting, notice of cumulative voting must be given in writing to the Company's corporate secretary not less than 48 hours before the time fixed for the holding of the meeting.

## Adjournment and Other Matters

Approval of a motion for adjournment, postponement or other matters brought before the meeting requires the affirmative vote of a majority of the shares voting at the meeting. Management knows of no other matters to be presented at the meeting other than those stated in this document.

## MATTERS TO BE CONSIDERED

### Proposal No. 1 ► Elect Nine Directors

The Board of Directors oversees the management of the Company on your behalf. Upon the recommendation of the Corporate Governance Committee (the "Governance Committee"), the Board of Directors has nominated nine individuals to hold office until the next annual meeting of shareholders and until their successors are elected and qualified. If any of the nominees should become unable to serve as a director, the proxies will be voted for any substitute nominee designated by the Board of Directors but, in any event, no proxy may be voted for more than nine nominees.

**The Board of Directors recommends that shareholders vote FOR the election of these nine nominees as directors.**

**Proposal No. 2 ► Ratification of the Company's Independent Registered Public Accounting Firm**

The Company's Audit Committee Charter provides that the Audit Committee shall appoint annually an independent registered public accounting firm to serve as auditors. In February 2008, the Audit Committee appointed Ernst & Young LLP to serve as auditors for 2008. Ernst & Young (or its predecessor) has served as the Company's independent auditors since the Company's founding.

Although the Audit Committee has the sole authority to appoint auditors, shareholders are being asked to ratify this appointment. If the shareholders do not ratify the appointment, the Audit Committee will take that fact into consideration, but may, nevertheless, continue to retain Ernst & Young. However, the Audit Committee in its discretion may engage a different registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company.

**Audit Fees and Non-Audit Fees**

The following table presents fees for professional audit services by Ernst & Young for the audit of the Company's annual financial statements for the years ended December 31, 2007 and December 31, 2006, and fees billed for other services rendered by them during these periods.

	<u>2007</u>	<u>2006</u>
Audit fees (1)	\$4,880,000	\$5,696,000
Audit related fees (2)	235,000	148,000
Tax fees (3)	47,000	12,000
All other fees	<u>3,000</u>	<u>2,000</u>
Total	\$5,165,000	\$5,858,000

- (1) These aggregate fees were for audits of the financial statements (including services incurred to render an opinion under Section 404 of the Sarbanes-Oxley Act of 2002), subsidiary insurance company audits, reviews of SEC filings, and quarterly reviews.
- (2) These fees related primarily to attestation services not required by regulation, services related to state insurance examinations, and due diligence services relating to acquisitions and dispositions.
- (3) These fees relate to review of federal and state tax returns.

Representatives of Ernst & Young are expected to be at the meeting and will be given the opportunity to make a statement if they so desire. They will also be available to respond to appropriate questions from shareholders.

**The Board of Directors recommends that shareholders vote FOR the ratification of the Audit Committee's appointment of Ernst & Young as our independent registered public accounting firm for 2008.**

### **Proposal No. 3 ► Shareholder Proposal Regarding Certain Employment Matters**

A representative of certain New York City Pension Funds (the "Funds") submitted a letter to the Company's Secretary requesting that the proposal set forth below be submitted to shareholders for consideration at the annual meeting. The Funds have stated that a representative is prepared to attend the annual meeting to introduce the proposal. The Funds have represented that they beneficially own in excess of \$2,000 of the Company's common stock. The address of the Fund is in care of The City of New York, Office of The Comptroller, 1 Centre Street New York, NY 10007-2341.

In accordance with applicable rules of the Securities and Exchange Commission, we have set forth the Fund's proposal and the Company's response below:

#### **SEXUAL ORIENTATION**

Submitted By William C. Thompson, Jr., Comptroller, City of New York,  
on behalf of the Boards of Trustees of the New York City Pension Funds

WHEREAS, corporations with non-discrimination policies relating to sexual orientation have a competitive advantage to recruit and retain employees from the widest talent pool;

Employment discrimination on the basis of sexual orientation diminishes employee morale and productivity;

The company has an interest in preventing discrimination and resolving complaints internally so as to avoid costly litigation and damage its reputation as an equal opportunity employer;

Atlanta, Seattle, Los Angeles, and San Francisco have adopted legislation restricting business with companies that do not guaranteed equal treatment for lesbian and gay employees and similar legislation is pending in other jurisdictions;

The company has operations in and makes sales to institutions in states and cities which prohibit discrimination on the basis of sexual orientation;

A recent National Gay and Lesbian Taskforce study has found that 16% -44% of gay men and lesbians in twenty cities nationwide experienced workplace harassment or discrimination based on their sexual orientation;

National public opinion polls consistently find more than three-quarters of the American people support equal rights in the workplace for gay men, lesbians, and bisexuals;

A number of Fortune 500 corporations have implemented non-discrimination policies encompassing the following principles:

- 1) Discrimination based on sexual orientation and gender identity will be prohibited in the company's employment policy statement.
- 2) The company's non-discrimination policy will be distributed to all employees.
- 3) There shall be no discrimination based on any employee's actual or perceived health condition, status, or disability.
- 4) There shall be no discrimination in the allocation of employee benefits on the basis of sexual orientation or gender identity.
- 5) Sexual orientation and gender identity issues will be included in corporate employee diversity and sensitivity programs.

RESOLVED: The Shareholders request that management implement equal employment opportunity policies based on the aforementioned principles prohibiting discrimination based on sexual orientation and gender identity.

STATEMENT: By implementing policies prohibiting discrimination based on sexual orientation and gender identity, the Company will ensure a respectful and supportive atmosphere for all employees and enhance its competitive edge by joining the growing ranks of companies guaranteeing equal opportunity for all employees.

### **Board of Directors' Position**

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST THIS PROPOSAL.

The Board of Directors believes this proposal is unnecessary. The Company is an equal opportunity employer. We are fully committed to complying with all applicable equal employment opportunity laws and believe that our current policies and practices fully achieve the objectives of this proposal. We believe it is not practical or even possible to list all categories on which to prohibit discrimination. We believe that such an effort would only divert attention from the overall goal of a truly non-discriminatory workplace.

The Company's written employment policies prohibit discrimination on the basis of race, color, religion, sex, age, national origin, disability or any other legally protected status, and mirror the non-discrimination categories of federal law. Our nondiscrimination policy applies to all areas of employment, including, but not limited to, hiring and recruitment, training, promotion, transfer, demotion, counseling and discipline, employee benefits and compensation and termination of employment.

We recognize the value of a truly diverse workforce. We are dedicated to ensuring that diversity brings our employees, customers, vendors and communities to their full potential. We continually strive to maintain a diverse workforce that meets the needs of our customers and the communities where we work and live.

**The Board of Directors recommends a vote AGAINST this proposal.**

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the "Committee") of the Board of Directors has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the named executive officers is fair, reasonable and competitive.

Throughout this proxy statement, the individuals who served as the Company's Co-Chief Executive Officers during fiscal year 2007, as well as the other individuals included in the Summary Compensation Table on page 23, may also be referred to as the "named executive officers" or "NEOs".

#### Compensation Philosophy and Objectives

AFG's philosophy regarding executive compensation programs is centered around the balance of motivating, rewarding and retaining executives with a compensation package competitive among its peers, and the resolute determination of maximizing shareholder value by designing and implementing programs that tie the performance of the Company to the compensation earned. Guided by principles that reinforce the Company's pay-for-performance philosophy for the past several years, NEO compensation has included base salary and eligibility for annual cash bonuses and long-term incentives such as stock options, restricted stock and stock awards and other compensation, including certain perquisites. A significant portion of each senior executive officer's compensation is dependent upon achieving business and financial goals, and realizing other performance objectives.

#### Establishing Compensation Levels

As in prior years, compensation levels for the Co-CEOs are based primarily upon the Compensation Committee's assessment of the executive officers' leadership performance and potential to enhance long-term shareholder value. The Committee relies upon a combination of judgment and guidelines in determining the amount and mix of compensation elements for the Co-CEOs. The compensation levels for the other NEOs are similarly determined by the Co-CEOs, and reviewed by the Compensation Committee, again based primarily upon the assessment of each such executive officer's leadership performance and potential to enhance long-term shareholder value.

Key factors affecting the Committee's judgment with respect to the Co-CEOs included the nature and scope of their responsibilities, their effectiveness in leading the Board of Directors' initiatives to increase shareholder value, productivity and growth. The Committee also considers the compensation levels and performances of a comparison group of publicly-held insurance companies (collectively, the "Compensation Peer Group") to benchmark the appropriateness and competitiveness of the Company's compensation programs. The Compensation Peer Group, which is periodically reviewed and updated by the Committee, consists of companies against which the Committee believes AFG competes for talent and for stockholder investment, and in the marketplace for business. In analyzing market pay levels among the Compensation Peer Group, the Committee factors into its analysis the large variance in size (both in terms of revenues and market capitalization) among the companies. The companies comprising the Compensation Peer Group are:

- ACE Limited
- American International Group, Inc.
- Arch Capital Group Ltd.
- The Chubb Corporation
- Cincinnati Financial Corporation
- The Hartford Financial Services Group, Inc.
- HCC Insurance Holdings, Inc.
- Markel Corporation
- Philadelphia Consolidated Holding Corp.
- W. R. Berkley Corporation
- XL Capital Ltd.
- Zenith National Insurance Corp.

The types of compensation paid to the Company's senior executives (i.e. annual salary, performance bonus, retirement plan contributions, certain perquisites, and equity incentives, including employee stock options) are similar to those paid to senior management at our selected peer group of companies. Although we seek to offer a level of total compensation to our executive officers that is competitive with the compensation paid by our peer group, we do not target a particular percentile of the peer group with respect to our executives' total pay packages or any individual components thereof. Rather, the Committee's consideration of the compensation levels and performances of the peer group constitutes just one of many of the factors described in this compensation discussion and analysis ("CD&A") and such peer group data is considered generally and not as a substitute for the Committee's discharge of its fiduciary duties in making executive officer compensation decisions.

Based upon all these factors, the Committee believes it is in AFG shareholders' best long-term interest for the Committee to ensure that the overall level of compensation, especially salary, bonus and equity-based awards, is competitive with companies in the Compensation Peer Group. The Committee continues to believe that the quality, skills and dedication of executive leaders are critical factors affecting the long-term value of the Company. Therefore, the Committee and the Co-Chief Executive Officers continue to try to maintain an executive compensation program that will attract, motivate and retain the highest level of executive leadership possible.

The Committee's decisions concerning the specific 2007 compensation elements for the Co-CEOs were made within this framework. The Committee also considered each such executive officer's performance, current salary, prior-year bonus and other compensation. In all cases, specific decisions involving 2007 compensation were ultimately based upon the Committee's judgment about the Co-CEOs' performance, potential future contributions and about whether each particular payment or award would provide an appropriate incentive and reward for performance that sustains and enhances long-term shareholder value.

#### Tally Sheet

The Compensation Committee reviews a comprehensive tally sheet analysis compiled internally to review all elements of the named executive officers' compensation. The Committee noted that there are no amounts payable to the NEOs under severance or change in control arrangements, unlike many of the Company's Peer Group. The tally sheets reviewed include all of the information that is reflected in the Summary Compensation Table as well as amounts and descriptions of perquisites not required to be specifically identified by SEC regulations, generally due to the fact that the amount of such items are not material. The review by the Compensation Committee analyzes how changes in any element of compensation would impact other elements. Such analysis has become an important component in the Compensation Committee's review of executive compensation as various components, including perquisites, are deemed by the Compensation Committee to be important elements of an executive's overall compensation. This also allows the Compensation Committee to make compensation decisions and evaluate management recommendations based upon a complete analysis of an executive's total compensation.

To get a clearer picture of the total amount of compensation paid to the Company's executive officers, the Compensation Committee annually reviews all components of the NEOs' total compensation package. This review includes salary, bonus, equity and long-term incentive compensation, accumulated realized and unrealized stock option gains, the dollar value to the executive and cost to the Company of all perquisites and other personal benefits, the earnings and accumulated payout obligations under the Company's Deferred Compensation Plan, and the contributions to and investment performance under the Company's retirement and savings plan. A tally sheet totaling all the above components was prepared and reviewed, as described above. The Committee noted the annual limitations agreed upon by the Committee and the Co-CEOs with respect to personal use of corporate aircraft (120 occupied flight hours each) and the executive insurance program (\$300,000) and the fact that, if such limitations are exceeded, reimbursement will be made based on the cost to the Company of providing those benefits.

Based on this review, the Committee found the NEOs' total compensation in the aggregate to be reasonable, not excessive, and consistent with the objectives of the Company's compensation programs.

### Internal Pay Equity

The Committee believes that the relative difference between the Co-CEOs compensation and the compensation of the Company's other senior executives has not increased significantly over the years. Further, the Committee believes that the Company's internal pay equity structure is consistent with our peer group and is appropriate based upon the contributions to the success of the Company and as a means of motivation to other executives and employees.

### Outside Consultants

While the Committee has from time to time considered the use of outside consultants in assisting in evaluating the Company's executive compensation program and practices, it did not engage such a consultant during 2007. The Committee believes that it has the necessary resources available to survey the compensation practices of the Company's Compensation Peer Group and keep abreast of compensation developments in the marketplace.

### Tax Deductibility of Pay

Section 162(m) of the Internal Revenue Code places a limit of \$1,000,000 on the amount of compensation that AFG may deduct in any one year with respect to its five most highly paid executive officers. There is an exception to the \$1,000,000 limitation for performance-based compensation meeting certain requirements.

The Committee attempts, to the extent practicable, to structure a significant portion of Co-CEO compensation as "incentive-based." As a result, the incentive compensation paid to the Co-CEOs should also satisfy the requirements for the "performance-based compensation" exception under Section 162(m).

### **Compensation Components**

For the fiscal year ended December 31, 2007, the principal components of compensation for named executive officers were:

- base salary;
- annual performance-based bonuses (including cash and stock awards);
- long-term equity incentive compensation;
- retirement and other related benefits; and
- perquisites and other personal benefits.

Our Co-CEOs determine the compensation for the NEOs other than themselves. The Compensation Committee reviews the levels of compensation determined by the Co-CEOs, and annually reviews the performance of the other NEOs with the Co-CEOs. The Compensation Committee makes recommendations to the Board with respect to general non-CEO compensation, incentive-compensation plans and equity-based plans.

Our Co-CEOs discuss with the Compensation Committee their thoughts on their performance, the Company's performance, their current and future compensation levels, and the reported compensation of senior executives at the peer group of companies prior to the time that the Compensation Committee takes any action with respect to setting the compensation of the Co-CEOs. The Co-CEOs also make recommendations to the Compensation Committee with respect to the EPS and Company Performance Components of the incentive compensation awarded to them. Specifically, the Co-CEOs recommended that these components from AFG's business plan be considered in connection with compensation objectives and targets. The Compensation Committee considers this input provided by the Co-CEOs in connection with its review and approval of corporate goals and objectives relevant to CEO compensation, evaluation of CEO performance in light of those goals and objectives, and determination of CEO compensation levels based on this evaluation.

The Company has no contracts, employment agreements, plans or arrangements with any NEO which would give rise to a payment to such NEO in the event of a change in control of the Company.

### Base Salary

The Company pays salaries that are designed to attract and retain superior leaders. Annual base salary is paid for ongoing performance throughout the year. The Committee determines annual base salaries for the Co-CEOs that are appropriate, in its subjective judgment, based on each officer's responsibilities and performance and input from the Co-CEOs themselves. The Co-CEOs set salaries for the other NEOs which are reviewed by the Committee. The Co-CEOs believe that such salaries are appropriate in light of the levels of responsibility of such officers and their individual contributions to the Company's success.

Messrs. Carl H. Lindner III and S. Craig Lindner each assumed the additional position of Co-Chief Executive Officer in January 2005 and continued to serve as the Company's Co-Presidents, positions they have held for more than five years. Each CEO's role has been clearly defined: Carl H. Lindner III is responsible for the Company's property and casualty insurance operations and investor relations and S. Craig Lindner is responsible for the Company's annuity and supplemental health insurance operations and investments. In addition, they work closely with one another and are significantly involved in all aspects of Company management so that either could succeed the other in the event such a need arose. We believe that this structure aids in succession planning and provides the Company with significant executive depth and leadership experience appropriate for the Company. For 2007, the Company paid each Co-CEO \$1,100,000 in salary, which was \$25,000 more than the amount of salary paid in 2006. The Committee based its decision to set this level of the salary of the Co-CEOs as a result of the strong operating results and capital position of the Company at the end of 2006, with improved leverage and financial flexibility.

The annual salary rate for the other NEOs remained the same as the 2006 levels. These salary levels were justified, in the Committee's judgment, as the result of each NEO's role in the execution of the strategy to manage AFG's business to enhance long-term investor value through better profit margins and higher returns on equity, their actions to ensure that AFG has a strong capital structure and cash flow, their role in leading AFG to solid financial results, and their leadership in realizing cost savings while, at the same time, driving successful growth initiatives.

### Annual Performance-Based Bonuses

Annual performance-based cash bonuses are designed to reward the positive performance of AFG as compared to AFG's performance in prior years and its performance versus other companies in its market segment. The Company believes that the overall performance of AFG is substantially related to the performance of its executives. Cash bonuses are paid each year, generally in the first quarter, for the prior year's performance.

As has been the case for more than six years, the Compensation Committee, working with management, developed an annual bonus plan for 2007 ("2007 Bonus Plan") for the Co-CEOs and other NEOs that made a substantial portion of their 2007 compensation dependent on AFG's performance. Specifically, annual bonus determinations are based on a two-part analysis of AFG and executive performance. In May 2007, the Company's shareholders approved the Annual Senior Executive Bonus Plan.

As discussed elsewhere in this CD&A, the Compensation Committee considered AFG's business plan and budgeted targets in connection with its establishment of objectives in the EPS and Company Performance Components under the 2007 Bonus Plan. Specifically, with respect to personal objectives for each of the Co-CEOs, the Compensation Committee did not establish quantifiable measurements other than those identified in these EPS and Company Performance Components because the Compensation Committee believes that the Co-CEOs are ultimately jointly responsible for the achievement of such objectives. The Compensation Committee views the roles of the Co-CEOs as collaborative, as opposed to competitive, and thus does not seek to distinguish the performance of one from the other. Rather, the Compensation Committee scrutinized the Co-CEOs' collective role in AFG's achievement of EPS targets, developing management personnel, focus on investment portfolio performance and development and implementation of strategic transactions and initiatives to enhance

shareholder value. The Compensation Committee believes these areas merit considerable attention by the Co-CEOs and constitute areas of responsibility in which the Co-CEOs responded in a manner commensurate with the level of compensation received under the parameters of the 2007 Bonus Plan.

Individual areas of responsibility for NEOs other than the Co-CEOs are assigned by the Co-CEOs as the fiscal year progresses. As discussed elsewhere in this CD&A, the individual performance component of the 2007 Bonus Plan for the other NEOs addresses the factors considered by the Co-CEOs in their evaluation of the individual performance and related incentive compensation for the other NEOs.

2007 Bonus Plan Components and Bonus Amounts for Co-CEOs

Under the 2007 Bonus Plan, the aggregate amount of cash bonus for 2007 for each Co-CEO is comprised of the sum of such Co-CEO's bonuses for the EPS Components and Company Performance Components. The following table sets forth the Co-CEO 2007 bonus target amounts with respect to the performance components that were recommended by the Compensation Committee and approved by the Company's Board of Directors.

<u>Name</u>	<u>Total Bonus Target</u>	<u>EPS Component</u>	<u>Company Performance Component</u>
Carl H. Lindner, III	\$1,150,000	50%	50%
S. Craig Lindner	\$1,150,000	50%	50%

The Committee maintained the 2007 bonus target in line with the 2006 bonus target.

1. EPS Component

Pursuant to the 2007 Bonus Plan, each Co-CEO's EPS Component ranged from \$0 up to \$1,006,250 (175% of the dollar amount of the Bonus Target allocated to the EPS Component), based on the following levels of reported earnings per common share from insurance operations ("Operating EPS" described below) achieved by the Company and its consolidated subsidiaries for 2007:

<u>Operating EPS</u>	<u>Percentage of Bonus Target to be paid for EPS Component</u>
Less than \$3.10	0
\$3.33	100%
\$3.55 or more	175%

The Operating EPS targets set forth under the 2007 Bonus Plan are derived from AFG's business plan. The target of \$3.33 per share represented a 6% increase over the prior year's record reported Operating EPS of \$3.14 per share and a 34% increase in the Operating EPS reported for fiscal 2005. Management and the Compensation Committee have intended that the EPS targets should be set at meaningful rates so that management must be diligent, focused and effective in order to achieve these goals. In other words, AFG and management believed at the time of the establishment of these EPS targets that such targets would be challenging to achieve and would require substantial efforts from AFG management, especially in the areas of establishing appropriate pricing and achieving profitable growth in a softening market environment.

The 2007 Bonus Plan provides that 100% of the EPS Component of the bonus (\$575,000) must be paid if Operating EPS were \$3.33 per share. The plan further provides that if the Company's Operating EPS were above \$3.10 but less than \$3.33 or above \$3.33 but less than \$3.55, the EPS Component of the bonus is to be determined by straight-line interpolation. If Operating EPS is \$3.55 or more, 175% of the EPS Component of the bonus is to be paid. The 2007 Bonus Plan provides that Operating EPS differs from AFG's reported net earnings determined in accordance with generally accepted accounting principles because it does not include realized gains and losses in the investment portfolio, investee results, and unusual or non-recurring items. Further, any charge taken as a result of a study of asbestos, environmental and other mass torts is to be considered a non-recurring item.

For 2007, AFG reported Operating EPS of \$3.94. As a result, the Committee concluded that a bonus of \$1,006,250 (175% of the \$575,000 bonus target allocated to the EPS Component) must be paid to each Co-CEO under the EPS Component of the 2007 Bonus Plan.

## 2. Company Performance Component

Payment of fifty percent (50%) of the \$1,150,000 bonus target for the Co-CEOs is based on AFG's overall performance, as determined by the Committee, after considering certain factors determined at the time of adoption of the 2007 Bonus Plan. The 2007 Bonus Plan provides that each Co-CEO's bonus allocated to the Company Performance Component will range from \$0 up to \$1,006,250 (175% of the \$575,000 bonus target allocated to the Company Performance Component). The Committee considered all factors deemed relevant, including financial, non-financial and strategic factors, in determining whether to grant and/or how much to grant under the Company Performance Component. Specifically, pursuant to the terms of the 2007 Bonus Plan, the Committee considered these factors, which could impact long-term shareholder value:

- (i) Growth in book value per share (as defined) in excess of 12% (achieved);
- (ii) Achievement of core return on equity in excess of 13% (achieved);
- (iii) Achievement of specialty property and casualty calendar year combined ratio of 88% or below (achieved);
- (iv) Unlocking at least \$25 million of pre-tax unrealized gains from real estate, equities and other miscellaneous assets (not achieved);
- (v) Returns on our investment portfolio exceeding those of certain public benchmarks (not achieved);
- (vi) AFG Common Stock out performance of S&P 500 Index and S&P Insurance Stock Index(not achieved); and
- (vii) Maintenance of debt to capital ratio less than or equal to 25% (calculated consistent with past practice) (achieved).

The Committee noted that four of these seven factors had been achieved. As a result, the Plan requires that the Co-CEOs receive 100% of the Company Performance Component of the bonus, or \$575,000. Consequently, the total bonus required by the 2007 Bonus Plan, considering both the EPS and Company performance components, is \$1,581,250.

### 2007 Bonus Plan Components and Bonus Amounts for other NEOs

The 2007 Bonus Plan provides bonuses comprised of the sum of NEO bonuses for EPS Components and Individual Performance Components. The following table sets forth the NEO bonus target amounts and performance criteria that were reviewed by the Compensation Committee.

<u>Name</u>	<u>Total Bonus Target</u>	<u>EPS Component</u>	<u>Individual Performance Component</u>
James E. Evans	\$850,000	50%	50%
Keith A. Jensen	\$560,000	50%	50%
Thomas E. Mischell	\$375,000	50%	50%

## 1. EPS Component

For the other named executive officers participating in the 2007 Bonus Plan, the EPS Component was set at a maximum of 125% of the eligible bonus, based on the following levels of reported Operating EPS achieved by the Company and its consolidated subsidiaries for 2007:

<u>Operating EPS</u>	<u>Percentage of Bonus Target to be paid for EPS Component</u>
Less than \$3.10	0
\$3.33	100%
\$3.55 or more	125%

For 2007, AFG reported Operating EPS of \$3.94. As a result, under the EPS Component of the 2007 Bonus Plan, bonuses were paid to NEOs as follows: \$531,250 to Mr. Evans; \$350,000 to Mr. Jensen; and \$234,375 to Mr. Mischell.

## 2. Individual Performance Component

Under the 2007 Bonus Plan each NEO's bonus allocated to the Individual Performance Component will range from 0% up to 125% of the target amount allocated to the Individual Performance Component and was determined by the Co-Chief Executive Officers based on such officers' subjective rating of the NEOs relative overall performance for 2007. The ratings for each of the NEOs includes a consideration of all factors deemed relevant, including, but not limited to, operational, qualitative measurements relating to the development and implementation of strategic initiatives and annual objectives, responses to unexpected developments, the development of management personnel, and the impact of any extraordinary transactions involving or affecting the Company and its subsidiaries. The Co-CEOs considered these factors, including the respective roles of the NEOs with respect to the consistent improvement in the Company's operating performance over the past several years and determined that the following bonuses should be paid: \$488,750 to Mr. Evans (115% of target); \$350,000 to Mr. Jensen (125% target); and \$215,625 to Mr. Mischell (115% target).

## **2008 Bonus Plan**

With respect to the fiscal year ending December 31, 2008, the performance components that were approved by the Compensation Committee of the Company's Board of Directors are set forth in the following table and notes. The components and targets were derived from AFG's 2008 business plan and represent goals for that year that the Compensation Committee believes will be challenging for AFG, yet achievable if senior and operating management meet or surpass their business unit goals and objectives. Management and the Compensation Committee believe that this alignment of objectives in AFG's 2008 business plan and the performance measurements on which bonuses are based is in the best interests of all of AFG's shareholders.

<u>Name of Executive</u>	<u>Total Bonus Target</u>	<u>EPS Component</u>	<u>Company Performance Component</u>
Carl H. Lindner III	\$1,300,000	50%	50%
S. Craig Lindner	1,300,000	50%	50%
James E. Evans	875,000	50%	50%
Keith A. Jensen	580,000	50%	50%
Thomas E. Mischell	390,000	50%	50%

## EPS Component

Pursuant to the 2008 Bonus Plan, each participant's EPS Component ranges from 0% up to 175%, with respect to the Co-CEOs, and 0% to 125%, with respect to the other NEOs, of the dollar amount of the Bonus Target allocated to the EPS Component, based on the following levels of reported earnings per common share from insurance operations ("Operating EPS" described below) achieved by the Company and its consolidated subsidiaries for 2008:

<u>Operating EPS</u>	<u>Percentage of Bonus Target to be paid for EPS Component</u>
Less than \$3.50	0
\$3.85	100%
\$4.10 or more	175%

With respect to the Co-CEOs, the 2008 Bonus Plan provides that 100% of the EPS Component of the bonus (\$575,000) must be paid if Operating EPS is \$3.85 per share. The plan further provides that if the Company's Operating EPS is above \$3.50 but less than \$3.85 or above \$3.85 but less than \$4.10, the EPS Component of the bonus is to be determined by straight-line interpolation. If Operating EPS is \$4.10 or more, 175% of the EPS Component of the bonus is to be paid. The 2008 Bonus Plan provides that Operating EPS will not include investee results, realized gains and losses in the investment portfolio and unusual or non-recurring items. Further, any charge taken as a result of a study of asbestos, environmental and other mass torts is to be considered a non-recurring item.

The Operating EPS target for 2008 was established by the Compensation Committee after reviewing the Company's 2008 business plan prepared by management and approved by the Co-CEOs. The EPS target required to be achieved in order for 2008 Bonus Plan participants to earn 100% of the EPS Component represents 100% of the 2008 EPS target in the business plan, requiring substantial efforts on behalf of the entire organization, including Company senior management, while giving consideration to factors which might impact ongoing earnings, including, but not limited to, competition, market influences, governmental regulation and the Board of Directors' desire to devote resources to other internal corporate objectives, such as acquisitions or start-ups. While the Operating EPS target does not reflect an increase in earnings per share over the prior year, the Committee noted that the target exceeds the current analysts' consensus estimate of 2008 core earnings by over ten cents per share. Further, the Committee noted that Operating EPS of \$3.50, \$3.85, and \$4.10 would yield a return on shareholders equity of 12.7%, 13.9% and 14.7%, respectively, all within the range targeted in the Company's business plan.

#### Company Performance Component

Payment of 50% of the bonus target is based on AFG's overall performance, as objectively determined by the Committee, after considering certain factors determined at the time of adoption of the 2008 Bonus Plan. The 2008 Plan provides that the bonus allocated to the Company Performance Component will range from 0% up to 175%, with respect to the Co-CEOs, and 0% to 125%, with respect to the other NEOs, of the bonus target allocated to that component. In addition to the objective criteria described below in subparagraph (i), the Committee may consider all factors deemed relevant, including financial, non-financial and strategic factors, in determining whether to grant and/or how much to grant under the Company Performance Component. Specifically, pursuant to the terms of the 2008 Bonus Plan, the Committee will consider these factors, which could impact long-term shareholder value:

Financial measurements such as return on equity, per share price of the Company's common stock relative to prior periods and comparable companies as well as financial markets, credit ratings on outstanding debt and claims paying ability of the Company's subsidiaries, the Company's debt to capital ratio, the combined ratios of the Company's insurance subsidiaries, and investment portfolio performance including realized gains and losses; and

Other operational, qualitative measurements relating to the development and implementation of strategic initiatives, responses to unexpected developments, the development of management personnel, the results of any reexamination of asbestos, environmental and other tort liabilities, and the impact of any extraordinary transactions involving or affecting the Company and its subsidiaries.

On an ongoing basis, the Compensation Committee will annually determine the performance goals and objectives it will use in the development of the performance-based portion of the Co-CEOs' compensation.

### Long-Term Equity Incentive Compensation

The Compensation Committee believes long-term equity incentive compensation encourages management to focus on long-term Company performance and provides an opportunity for executive officers and certain designated key employees to increase their stake in the Company through stock option grants that vest over time. The Committee believes that stock options and stock awards represent an important part of AFG's performance-based compensation system. The Committee believes that AFG shareholders' interests are well served by aligning AFG's senior executives' interests with those of its shareholders through the grant of stock options and stock awards. In determining the size of overall annual grants, the Committee takes into consideration the possible dilutive effect to shareholders of the additional shares which may be issued upon exercise of stock-based awards as well as the expense to AFG as stock-based awards vest. The Committee believes that several features present in stock-based awards give recipients substantial incentive to maximize AFG's long-term success. Specifically, options under AFG's 2005 Stock Incentive Plan are granted at exercise prices equal to the average of the high and low sales prices reported on the New York Stock Exchange of AFG common stock on the date of grant. Additionally, the Committee believes that because the stock options vest at the rate of 20% per year, it promotes executive retention due to the forfeiture of options that have not fully vested upon departure from AFG.

Stock option award levels are determined based on award amounts for participants from previous years, market data, including award levels to optionees at other insurance companies, Black Scholes-derived information, the expense of such options to AFG, the relative benefits to participants of such expense, and the overall compensation level of such participants. Stock option grants vary among participants based on their positions within the Company and AFG believes that the consideration of the factors identified in the immediately preceding sentence results in reasonable option grant levels to its NEOs and other employees. Options granted to NEOs are set forth in the Grants of Plan-Based Awards Table on page 25 of this proxy statement.

Stock options are generally granted at a regularly scheduled Compensation Committee meeting in February of each year after AFG issues a press release announcing results of the recently ended fiscal year. Other than pursuant to the 2005 Stock Incentive Plan, which provides that the exercise price is determined by the average of the high and low sales prices of AFG common stock reported on the NYSE, the Committee does not grant options with an exercise price that is less than the closing price of the Company's common stock on the grant date, nor does it grant options which are priced on a date other than the grant date. Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or dividend equivalents.

The Company's 2005 Stock Incentive Plan provides that a stock award may be granted to any eligible employee for past services, or for any other valid purpose as determined by the Compensation Committee. Such a stock award represents shares that are issued without restrictions on transfer and free of forfeiture conditions except as otherwise provided in such Plan. The Compensation Committee exercised its discretion under this Plan and on February 11, 2008, granted (effective that day) each Co-CEO 35,000 shares of AFG common stock (the number of shares of each grant being determined as approximately \$1,000,000 of Company common stock). This award is also set forth in the Summary Compensation Table on page 23 of this proxy statement. The Compensation Committee granted this award as bonus compensation in response to the Company's substantial core net operating earnings increase (up 28% from 2006), significantly higher return on equity, record property and casualty specialty insurance underwriting profits, significant improvement in combined ratios and increases in insurance premiums during 2007, which was a challenging environment for insurance operations. The Committee believes that these achievements represent superior company performance and merit the Co-CEOs this extraordinary element of compensation.

### Recovery of Prior Awards

We do not have a policy with respect to adjustment or recovery of awards or payments if relevant company performance measures upon which previous awards were based are restated or otherwise adjusted in a manner that would reduce the size of such award or payment. Under those circumstances, we expect that the Compensation Committee and the Board would evaluate whether compensation adjustments were appropriate based upon the facts and circumstances surrounding the applicable restatement or adjustment.

### Stock Ownership Guidelines

AFG's Board adopted executive stock ownership guidelines because it believes that it is in the best interests of AFG and its shareholders to align the financial interests of its executives and certain other officers of the Company and its principal subsidiaries with those of AFG's shareholders. AFG's Board also adopted such guidelines because it believes that the investment community values stock ownership by such officers and that share ownership demonstrates a commitment to and belief in the long-term profitability of AFG. Under the guidelines AFG's Co-CEOs are required to own an amount of AFG common stock which is equal to or exceeds five times their annual base salary; other NEOs and certain other officers and senior officers of the Company's major subsidiaries (in excess of 40 executives) are required to own an amount of AFG common stock which is equal to or exceeds their annual base salary. Generally, persons subject to the guidelines are required to achieve the applicable ownership guideline by January 1, 2011. Notwithstanding this phase-in period, most executives to whom the guidelines apply had met their ownership target at December 31, 2007, and the Co-CEOs own AFG common stock having a value of over forty times their annual base salary.

### Retirement and Other Related Benefits

The Company provides retirement benefits to NEOs through a combination of qualified (under the Internal Revenue Code) and non-qualified plans. AFG provides retirement benefits to qualified employees through the AFG Retirement and Savings Plan ("RASP"), a defined contribution plan. AFG makes all contributions to the retirement fund portion of the plan and matches a percentage of employee contributions to the savings fund. The amount of such contributions and matching payments are based on a percentage of the employee's salary up to certain thresholds. AFG also makes available to certain employees benefits in its Nonqualified Auxiliary RASP ("Auxiliary RASP"). The purpose of the Auxiliary RASP is to enable employees whose contributions in the retirement contribution portion of the RASP are limited by IRS regulations to have an additional benefit to the RASP.

The Company also maintains a Deferred Compensation Plan pursuant to which certain employees of AFG and its subsidiaries (currently those paid \$100,000 or more annually) may defer up to 80% of their annual salary and/or bonus. For 2007, participants could elect to have the value of deferrals (i) earn a fixed rate of interest, set annually by the Board of Directors (5-3/8% in 2007), or (ii) fluctuate based on the market value of AFG common stock, as adjusted to reflect stock splits, distributions, dividends, or (iii) earn interest as determined by one or more publicly traded mutual funds. The deferral term of either a fixed number of years or upon termination of employment must be elected at the time of deferral. Under the plan, no federal or state income taxes are paid on deferred compensation. Rather, such taxes will be due upon receipt at the end of the deferral period. The Nonqualified Deferred Compensation Table on page 28 discloses compensation earned in connection with the Deferred Compensation Plan.

### Perquisites and Other Personal Benefits

Perquisites, such as insurance coverage, security services, certain meals and entertainment tickets, personal office staff, and the personal use of corporate aircraft, are made available to AFG's executive officers. These benefits are described below and the estimated costs to the Company of such benefits are included in the All Other Compensation table below on page 24. The Committee and the Co-CEOs agreed to limit the benefit attributable to the Co-CEOs personal use of corporate aircraft and insurance coverage. See "Tally Sheet" discussion above.

During 2007, as in prior years, the Company operated corporate aircraft used for the business travel of senior management of the Company and its subsidiaries. The Board has encouraged the use of corporate aircraft for the travel needs of the Company's Chairman of the Board and Co-Chief Executive Officers, including personal travel, in order to minimize and more efficiently utilize their travel time, protect the confidentiality of their travel and the Company's business, and to enhance their personal security. Notwithstanding, the Committee and the Chairman of the Board and Co-CEOs jointly acknowledge that such aircraft use is a personal benefit, and as such, the Committee considers the cost to the Company of such use to be an element of the total compensation paid to these individuals.

The Committee believes these perquisites to be reasonable, particularly as a part of total executive compensation, comparable with peer companies, and consistent with the Company's overall executive compensation program.

- (1) Amounts shown are not reduced to reflect the named executive officers' elections, if any, to defer receipt of salary into the Deferred Compensation Plan.
- (2) Amounts represent the value of a discretionary award made by the Compensation Committee under the 2005 Stock Incentive Plan and paid to the Co-Chief Executive Officers in the form of AFG common stock, as further described in the Compensation Discussion and Analysis section beginning on page 12 of this proxy statement.
- (3) Amount represents the dollar amount recognized for financial statement reporting purposes with respect to fiscal years 2007 and 2006 in accordance with FAS 123R. There can be no assurance that the value realized from the exercise of stock options, if any, will equal the amount of FAS 123R compensation expense recorded. A discussion of the assumptions used in calculating these values may be found in Note H on page F-17 to the Company's Annual Report on Form 10-K filed February 28, 2008.
- (4) Amount represents payment for performance in the year indicated, whenever paid, under the Senior Executive Annual Bonus Plan as further described in the Compensation Discussion and Analysis section beginning on page 12 of this proxy statement. As these bonus payments were made pursuant to a performance-based annual bonus plan, no separate bonus column appears in the table.
- (5) For 2007, the amount represents a \$16,648 Company match to Mr. Jensen's 2007 deferral under the Deferred Compensation Plan, and \$1,944 of "above market" earnings on his deferrals, and a \$11,602 Company match to Mr. Mischell's 2007 deferral under the Deferred Compensation Plan.

- (6) See All Other Compensation chart below for amounts, which includes perquisites, Company or subsidiary contributions or allocations under the (i) defined contribution retirement plans and (ii) employee savings plan in which the named executive officers participate (and related accruals for their benefit under the Company's benefit equalization plan which generally makes up certain reductions caused by Internal Revenue Code limitations in the Company's contributions to certain of the Company's retirement plans) and Company paid group life insurance.

- (1) The Board of Directors has encouraged the Company's Chairman and Co-Chief Executive Officers to use corporate aircraft for all travel whenever practicable for security and productivity reasons. On certain occasions, an executive's spouse or other family members or guests may fly on the corporate aircraft. The value of the use of corporate aircraft is calculated based on the aggregate incremental cost to the Company, including fuel costs, trip-related maintenance, universal weather-monitoring costs, on-board catering, landing/ramp fees and other miscellaneous variable costs. Fixed costs which do not change based on usage, such as pilot salaries, the amortized costs of the company aircraft, and the cost of maintenance not related to trips, are excluded. Amounts for personal use of company aircraft are included in the table. The amounts reported utilize a different valuation methodology than used for income tax purposes, where the cost of the personal use of corporate aircraft has been calculated using the Standard Industrial Fare Level (SIFL) tables found in the tax regulations.
- (2) Messrs. C.H. Lindner III and Mischell received these awards, which are available to all full-time employees, upon attaining certain years of service to the Company.

## POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As described in the Compensation Discussion and Analysis section, the named executive officers do not have employment, severance or change-in-control agreements with the Company. In addition, any agreements, plans or arrangements that provide for payments to a named executive officer at, following, or in connection with any termination (including retirement) of such named executive officer, do not discriminate in scope, terms or operation in favor of the named executive officer, and are available generally to all salaried employees. All options granted under the Company's shareholder approved plans provide for the acceleration of vesting upon a change in control.

**NONQUALIFIED DEFINED CONTRIBUTION AND OTHER  
NONQUALIFIED DEFERRED COMPENSATION PLANS**

The Company provides retirement benefits to named executive officers through a combination of qualified (under the Internal Revenue Code) and non-qualified plans. AFG makes available to certain employees, including its named executive officers, benefits in its Nonqualified Auxiliary RASP (“Auxiliary RASP”). The purpose of the Auxiliary RASP is to enable employees whose contributions are limited by IRS regulations in the retirement contribution portion of the AFG Retirement and Savings Plan to have an additional benefit to the RASP.

The Company also maintains a Deferred Compensation Plan pursuant to which certain key employees of AFG and its subsidiaries may defer up to 80% of their annual salary and/or bonus. During 2007, participants could elect to have the value of current or prior-year deferrals (i) earn a fixed rate of interest, set annually by the Board of Directors (5-3/8% in 2007), (ii) fluctuate based on the market value of AFG Common Stock, as adjusted to reflect stock splits, distributions, dividends, or (iii) determined on the basis of the returns on one or more publicly traded mutual funds. The deferral term of either a fixed number of years or upon termination of employment must be elected at the time of deferral. Under the plan, no federal or state income taxes are paid on deferred compensation. Rather, such taxes will be due upon receipt at the end of the deferral period.

The table below discloses information on the nonqualified deferred compensation of the named executives in 2007, including the Auxiliary RASP and the Deferred Compensation Plan. Any amounts deferred are included in compensation figures disclosed in the Summary Compensation Table on page 23 of this proxy statement.

- (2) Earnings are calculated by reference to actual earnings or losses of mutual funds and securities, including Company common stock, held by the plans.

## DIRECTOR COMPENSATION

In early 2004, the Board of Directors adopted the Company's Non-Employee Director Compensation Plan, which was then approved at the 2004 annual meeting of shareholders. The Plan was amended by the Board of Directors in 2007 to increase certain of the fees payable thereunder.

During 2007, under the Plan, all directors who were not officers or employees of the Company were paid the following fees: an annual board retainer of \$32,500 and \$1,750 per each board meeting attended. The Audit Committee Chairman received an additional \$20,000 retainer. Other committee Chairmen received an additional \$12,000 annual retainer. The members (non-chairman) received an additional \$6,000 annual retainer for each committee served. All committee members received \$1,250 for each meeting attended. Non-employee directors who become directors during the year receive a pro rata portion of these annual retainers. In addition, non-employee directors receive an annual award of stock. In 2007, this award was worth \$70,000; beginning in 2008, this award will increase to \$85,000.

Compensation earned for director service in 2007 is set forth in the following table. Other than the restricted stock grants, all amounts were paid in cash.

#### Director Stock Ownership Guidelines

The Plan also sets forth stock ownership guidelines for the non-employee directors. Specifically, within three years after a non-employee director receives the first restricted stock award under the Plan, such non-employee director, as a consideration in the determination of his or her future service to AFG's Board of Directors, is required to beneficially own a minimum number of shares of AFG common stock, the value of which shall be equal to six times the then-current annual board retainer.

#### Board Retirement Program

Until 2003, the Board of Directors had a program under which a retiring non-employee director, who is at least 55 years old and has served as a director for at least four years, would receive upon retirement an amount equal to five times the then current annual board retainer. In 2003, the Board of Directors terminated the plan, except as it applied to those directors then eligible, Messrs. Martin and Emmerich. In early 2006, the Company, upon the recommendation of the Governance Committee and at the request of Messrs. Martin and Emmerich, terminated the plan entirely.

### **RELATED PERSON TRANSACTIONS**

From time to time, the Company has transacted business with affiliates. The financial terms of these transactions are comparable to those which would apply to unrelated parties. During 2007, there were no such transactions requiring disclosure under applicable rules.

Certain stock exchange rules require the Company to conduct an appropriate review of all related party transactions (including those required to be disclosed by the Company pursuant to SEC Regulation S-K Item 404) for potential conflict of interest situations on an ongoing basis and that all such transactions must be approved by the Audit Committee or another committee comprised of independent directors. As a result, the Audit Committee annually reviews all such related party transactions and approves such related party transactions only if it determines that it is in the best interests of the Company. In considering the transaction, the Committee may consider all relevant factors, including as applicable (i) the Company's business rationale for entering into the transaction; (ii) the alternatives to entering into a related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties, or in the case of employment relationships, to employees generally; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (vi) the overall fairness of the transaction to the Company.

While the Company adheres to this policy for potential related person transactions, the policy is not in written form (other than as a part of listing agreements with stock exchanges). However, approval

of such related person transactions is evidenced by Audit Committee resolutions in accordance with our practice of approving transactions in this manner.

## COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

The Company's Board of Directors held nine meetings in 2007. The Board has an Audit Committee, a Compensation Committee, and a Corporate Governance Committee. The charters for each of these Committees as well as the Company's Corporate Governance Guidelines are available at [www.afginc.com](http://www.afginc.com) and upon written request to the Company's Secretary, the address of whom is set forth under "Communications with Directors" on page 34 of this proxy statement.

*Compensation Committee:* The Compensation Committee acts on behalf of the Board of Directors and by extension the shareholders to establish, implement and continually monitor adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the named executive officers is fair, reasonable and competitive.

The Compensation Committee also acts as the oversight committee with respect to the Company's deferred compensation plans, stock option plans, and bonus plans covering senior executive officers. In overseeing those plans, the committee may delegate authority for day-to-day administration and interpretation of the plan, including selection of participants, determination of award levels within plan parameters, and approval of award documents, to officers of the Company. However, the Committee may not delegate any authority under those plans for matters affecting the compensation and benefits of the Company's Co-Chief Executive Officers.

The Compensation Committee consulted among themselves and with management throughout the year, and met ten times in 2007. The primary processes for establishing and overseeing executive compensation can be found in the Compensation Discussion and Analysis section beginning on page 12 of this proxy statement.

### Compensation Committee Interlocks and Insider Participation

None of the members of AFG's Compensation Committee:

- was an officer or employee of the Company during the last fiscal year (Mr. Martin served the Company's predecessor as an officer; such service ended in 1978);
- is or was a participant in any "related person" transaction in 2007 (see the section titled "Related Person Transactions" in this proxy statement for a description of our policy on related person transactions)
- is an executive officer of another entity, at which one of our executive officers serves on the board of directors. No named executive officer of the Company serves as a director or as a member of a committee of any company of which any of the Company's non-employee directors are executive officers.

*Audit Committee:* The Audit Committee met 13 times in 2007. The Company's Board has determined that each of the Audit Committee's members, namely, Theodore H. Emmerich, William R. Martin and Terry S. Jacobs, is an audit committee financial expert as defined under SEC Regulation S-K Item 407(d). Each of Messrs. Emmerich, Martin and Jacobs satisfies the NYSE and NASDAQ independence standards. The Audit Committee Report is presented on page 32 of this proxy statement.

*Corporate Governance Committee:* The Corporate Governance Committee met four times in 2007. The Governance Committee is responsible for, among other things, establishing criteria for selecting new directors, identifying individuals qualified to be Board members as needed, and recommending to the Board director nominees for the next annual meeting of shareholders. The charter of

the Governance Committee is available at the Company's website, [www.afginc.com](http://www.afginc.com). The Committee is comprised of members who are "independent" as defined under New York Stock Exchange ("NYSE") and NASDAQ listing standards. Information regarding the consideration by the Governance Committee of any director candidates recommended by shareholders can be found in the Nominations and Shareholder Proposals section on page 33 of this proxy statement.

### **Director Attendance Policy**

AFG expects its directors to attend meetings of shareholders. All of AFG's directors attended last year's meeting.

### **Executive Sessions**

NYSE and NASDAQ rules require non-management directors to meet regularly in executive sessions. Four of these sessions were held during 2007. The non-management directors select one of such directors to preside over each session. Shareholders and other interested parties may communicate with any of the non-management directors, individually or as a group, by following the procedures set forth on page 34 of this proxy statement.

### **Audit Committee Report**

The Audit Committee is comprised of three directors, each of whom is experienced with financial statements and has past accounting or related financial management experience. Each of the members of the Audit Committee is independent as defined by the NYSE listing standards. The Board has determined that each of the three members of the Audit Committee is an "audit committee financial expert" as defined in Securities and Exchange Commission regulations. A copy of the Audit Committee Charter is posted at [www.afginc.com](http://www.afginc.com).

The primary function of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to shareholders and others, the systems of internal control which management has established, and the audit process. The members of the Committee are Theodore H. Emmerich (Chairman), William R. Martin and Terry S. Jacobs.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes. Additionally, the Audit Committee engages the Company's independent accountants who report directly to the Committee.

The Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AV Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200 T.

The Company's independent accountants also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) as adopted by the Public Company Accounting Oversight Board in Rule 3600 T, and disclosures required by the Audit Committee Charter, and the Committee discussed with independent accountants that firm's independence. As part of its discussions, the Committee determined that Ernst & Young LLP was independent of AFG.

Based on the Committee's discussions with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Committee, the Committee recommended that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007 filed with the Securities and Exchange Commission.

William R. Martin  
Terry S. Jacobs

### **Audit Committee Pre-Approval Policies**

The Audit Committee has adopted policies that require its approval for any audit and non-audit services to be provided to AFG. The Audit Committee delegated authority to the Committee Chairman to approve certain non-audit services. Pursuant to these procedures and delegation of authority, the Audit Committee was informed of and approved all of the audit and other services described above. No services were provided with respect to the de minimus waiver process provided by rules of the Securities and Exchange Commission.

### **Independence Determinations**

In accordance with NYSE and NASDAQ rules, the Board affirmatively determines the independence of each director and nominee for election as a director in accordance with guidelines it has adopted, which guidelines are in compliance with the listing standards set forth by the NYSE and NASDAQ. The Company's director qualification standards are available on the Company's website at [www.afginc.com](http://www.afginc.com). Where the NYSE and NASDAQ rules on director independence conflict, the Company's Standards reflect the applicable rule which is more stringent to the director and the Company. Based on these standards, at its meeting held on May 17, 2007, the Board determined that each of the following non-employee directors, namely Messrs. Ambrecht, Emmerich, Jacobs, Martin, and Verity is independent and has no relationship with the Company, except as a director and shareholder of the Company. The same determination was made as to Messrs. Ambrecht, Emmerich, Jacobs, Joseph, and Verity at a meeting of the Board of Directors on February 21, 2008.

During 2007, Messrs. Martin, Ambrecht, and the father of Mr. Joseph served as directors of the Company's subsidiary, Great American Financial Resources, Inc. Mr. Ambrecht was a Managing Director with First Albany Capital from July 2004 until December 2005. For more than five years prior to that, Mr. Ambrecht was a Managing Director with Royal Bank Canada Capital Markets. From time to time, the Company has purchased or sold securities through these companies in the ordinary course of business, for which it paid customary commissions or discounts. In addition, the Company has acquired vehicles from, and had vehicles serviced by, automobile dealerships affiliated with a company of which Mr. Joseph is an executive and part owner. The amounts involved in these transactions were deemed by AFG's Board of Directors not to be material.

## **NOMINATIONS AND SHAREHOLDER PROPOSALS**

In accordance with the Company's Code of Regulations (the "Regulations"), the only candidates eligible for election at a meeting of shareholders are candidates nominated by or at the direction of the Board of Directors and candidates nominated at the meeting by a shareholder who has complied with the procedures set forth in the Regulations. Shareholders will be afforded a reasonable opportunity at the meeting to nominate candidates for the office of director. However, the Regulations require that a shareholder wishing to nominate a director candidate must have first given the Secretary of the Company at least five and not more than thirty days prior written notice setting forth or accompanied by (1) the name and residence of the shareholder and of each nominee specified in the notice, (2) a representation that the shareholder was a holder of record of the Company's voting stock and intended to appear, in person or by proxy, at the meeting to nominate the persons specified in the notice and (3) the consent of each

such nominee to serve as director if so elected. Directors nominated through this process will be considered by the Corporate Governance Committee.

The proxy card used by AFG for the annual meeting typically grants authority to management to vote in its discretion on any matters that come before the meeting as to which adequate notice has not been received. In order for a notice to be deemed adequate for the 2009 annual meeting, it must be received by February 27, 2009. In order for a proposal to be considered for inclusion in AFG's proxy statement for that meeting, it must be received by December 15, 2008.

The Corporate Governance Committee does not have a policy with regard to the consideration of director candidates recommended by shareholders because Ohio law and the Company's Code of Regulations affords shareholders certain rights related to such matters. Nominees for directorship will be recommended by the Governance Committee in accordance with the principles in its charter and the Corporate Governance Guidelines also on AFG's website. When considering an individual candidate's suitability for the Board, the Corporate Governance Committee will evaluate each individual on a case-by-case basis. Although the Committee does not prescribe minimum qualifications or standards for directors, candidates for Board membership should have the highest personal and professional integrity, demonstrated exceptional ability and judgment, and availability and willingness to take the time necessary to properly discharge the duties of a director. The Committee will make its determinations on whether to nominate an individual based on the Board's then-current needs, the merits of each such candidate and the qualifications of other available candidates. The Committee will have no obligation to respond to shareholders who propose candidates that it has determined not to nominate for election to the Board, but the Committee may do so in its sole discretion. All director candidates are evaluated similarly, whether nominated by the Board or by a shareholder.

The Corporate Governance Committee did not seek, nor did it receive the recommendation of any of the director candidates named in this proxy statement from any shareholder, non-management director, executive officer or third-party search firm in connection with its own approval of such candidates. The Company has not paid any fee to a third party to assist it in identifying or evaluating nominees.

### **COMMUNICATIONS WITH DIRECTORS**

The Board of Directors has adopted procedures for shareholders to send written communications to the Board as a group. Such communications must be clearly addressed either to the Board of Directors or any or all of the non-management directors, and sent to either of the following, who will forward any communications so received:

## **CODE OF ETHICS**

The Company's Board of Directors adopted a Code of Ethics applicable to the Company's directors, officers and employees. The Code of Ethics is available at [www.afginc.com](http://www.afginc.com) and upon written request to the Company's Secretary, the address of whom is set forth immediately above. The Company intends to disclose amendments and any waivers to the Code of Ethics on its website within four business days after such amendment or waiver.
